Die EU-Projektmanagement-Initiative Open PM²

Ein Impuls für mehr Ebenenübergreifende Zusammenarbeit in Projekten?

27 May 2019

THOMAS GAGEIK
DG DIGIT – Director Digital Business Solutions
"We ...will be doing our work more effectively. We will be working as a team ... And we will deliver."

"... to be in charge of a number of well-defined priority projects, ...and of steering and coordinating project teams, ... to successfully complete the projects assigned."

"... to overcome silo-mentalities and introduce a new collaborative way of working in areas where Europe can really make a difference."

"... to be able to deliver quickly and effectively."

"... to organise the new Commission around project teams."
The EC Projects Landscape

• The EU spends over € 959 988 million (2014-2020).

• The EU budget is divided into more than 80 funds and programmes (European Structural and Investments Funds (ESIF) representing 33% of the total budget).

• Around 6% of the budget goes to the administration of the European institutions (€ 57 599 M) whereas around 94% is allocated to various European programmes (€ 902 389 M).

• There are more than 100 authorities managing EU funds. 20% of these are managed directly by the European Commission (€ 180 478 M). The remaining 80% are managed by other authorities.
The EU Institutions Landscape

- 17 EU Institutions and Bodies
- 45 Agencies

30,000+ employees at the European Commission alone!
Starting a Project means clarifying...

- Who is responsible for what -> roles and responsibilities
- How do we steer it -> project governance
- How do we monitor it -> reporting
- How do we call its elements -> common vocabulary
"One common PM Methodology open to all EU Institutions, Member States, Contractors, and EU Citizens."
PM² benefits

- Rationalises all project management approaches within the EC
- Suits specific project needs and environment
- Establishes a common vocabulary between project participants
- Provides a standard project governance structure
- Offers central support and full documentation
- Proposes a well-structured training path.
